**Some of the featured performers from the Northside Area Choir program.**

The Northside Area Choir program includes the choirs at Walker Elementary, Northside Middle and Northside High School. All three choirs are under the direction of Sarah Adams and have been in existence for seven years. In that time, the program has grown to include approximately 150 students from the three schools. The groups have traveled and performed in various venues and events, including New York, Nashville and Disney World. This spring, the choirs are preparing for their spring musical theater show, *The Little Mermaid*, which will be performed April 16, 17 and 18 at the Northside High School cafetorium. Their performance for the Rotary Club will include many of the songs from this show.
